*From Fr. Dave*

Greetings! Welcome Advent and the Christmas season!

This month I'd like to share a short meditation. As we approach Christmas - the Celebration of the Nativity of our Lord Jesus Christ - as we approach the commemoration of God's most precious gift to humanity, I ask you to consider your gifts to God.

There are two fundamental ways to think about our support of our parishes. On the one hand, we sometimes look at our offerings as our support for our parish - our part in paying the bills to "keep the church open." This approach can be seen in such statements as "the church is always asking for money." Or, "how can I be sure the church will take good care of my money?" This approach generally views our money as "my money."

The second fundamental way to think about our support for our parish, oddly enough, doesn't really view support of the parish as "supporting the parish." Rather, when we adopt the attitude that all we have is essentially God's, we see our support of our parish in terms of simply returning to God some of what God has given to us.

You see, in the first instance, it's really a matter of you making a gift to God. In the second, you're not giving God a gift, you're simply responding to all of God's many gifts in your life (including, your life).

No doubt you can easily guess which approach I opt for, but, it's not that I think the first approach is necessarily bad. I think it's almost always a good thing to support your parish! It can become a problem, though, if your pride in supporting your parish reaches such strength that you begin to think it's YOUR parish more than it's GOD's parish.

We must never forget that we are freely giving ourselves to the God who raised Jesus Christ from the dead. God doesn't force us to believe. In a very important way, God doesn't even need us to believe. When we pray that God's will be done, it is an expression of our hope and wish, not at all a matter of giving God permission. God will be reconciled with God's creation. We can either be on board with that and respond accordingly, or we can pridefully delude ourselves that God needs us more than we need God. Amen.

**Editors Note:**

Curiosity overcame me about Operation Christmas Child while working on the December newsletter. Because of skepticism festered by my occupation, questions began to plague me. I began to question whether Operation Christmas Child really makes a difference. While researching Operation Christmas Child using the internet I found some heart warming information.

*Millions of lives will be touched by shoebox gifts this year. Each precious gift is carefully inspected and prepared for overseas shipment by caring people like you. Every shoebox gift delivered by Operation Christmas Child is a tangible expression of God's amazing love. But a shoebox is just the beginning. It also presents an opportunity in more than 100 countries for our church partners to invite children into a deeper relationship with Jesus Christ through The Greatest Journey.*

**Matthew 28:18-20** New International Version (NIV)

Then Jesus came to them and said, "All authority in heaven and on earth has been given to me. 19 Therefore go and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, 20 and teaching them to obey everything I have commanded you. And surely I am with you always, to the very end of the age."

### 14 Yrs After Receiving Shoebox Gift, Filipino Girl Marries Boy Who Sent it

When a young Filipino girl received a Christmas gift-filled shoebox in 2000, she couldn't have imagined that one day she would meet the 7-year-old boy from Idaho who packed the box in a small town 7000 miles away.

***Keep watch, dear Lord, with those who work, or watch, or weep this night, and give your angels charge over those who sleep. Tend the sick, Lord Christ, give rest to the weary, bless the dying, sooth the suffering, pity the afflicted, shield the joyous: and all for your love's sake. Amen.***

## Vestry Highlights

4. Christmas Offering will go to the Seminary of Father Dave's choice.
5. Potluck and Secret Santa on December 14. Judy Rettberg will be organizing secret

## Treasurer's Remarks

As of Nov. 25th, our cash flow continues to be positive at \$986.15. This is an approximate representation because we are still waiting for Zion, Greene to get their books up to date. In the meantime we have been making estimated payments to Zion to keep current our portion of Fr. Dave's support. The Fall UTO Ingathering amounted to \$202.56 given by 15 people. This compares to the Spring Ingathering which was \$208 given by 12 people. Remember that UTO's primary mission is to help people improve their prayer life by encouraging them to offer prayers of thanksgiving each time they add something to the UTO Blue Box. Boxes are available in the parish hall.

## The Final Word

*Then these righteous ones will reply, 'Lord, when did we ever see you hungry and feed you? Or thirsty and give you something to drink? Or a stranger and show you hospitality? Or naked and give you clothing? When did we ever see you sick or in prison, and visit you?' And the King will tell them, 'I assure you, when you did it to one of the least of these my brothers and sisters, you were doing it to me!'*

**Matthew 25: 37-40**

Many are familiar with this portion of the Gospel reading appointed for the last Sunday in Pentecost. Jesus is describing what it will be like when the Son of Man returns. Clearly, he is saying that we will be held accountable for the way we have dealt throughout our lives with those who are less fortunate than we are.

It's interesting and probably not a coincidence that this reading comes during the time when

we are anticipating Thanksgiving Day, and thinking about what we will give back to God in thanksgiving for what He has given us. It is easy and tempting to think of this simply in terms of money. But if we do that, we have already missed the mark. For not only are we required to be good stewards of our treasure, but also of the time and the talents that God has given each of us. And this gets into how we live our lives.

Are we living examples of what it means to be a Christian? In our own town of Afton, people lack adequate food and drink. Are we supporting the Afton Food Pantry and St. Ann's Closet? Do we give of our time to help staff them? Do we warmly welcome strangers and newcomers who join us at St. Ann's? As a member of St. Ann's, are we doing our part to accomplish our mission: **Sharing God's love in our community through prayer, study and action?** Do we reach out in love to those less fortunate than ourselves? These are some of the things I'll think about this month as I consider how to respond to God in thanksgiving.
